

Nguyen Dang Nhat Anh

District 9, HCM City | 0879992442 | anh.nguyen.220069@student.fulbright.edu.vn

Introduction

I am a dedicated junior at Fulbright University Vietnam pursuing a Bachelor's degree in Computer Science with a minor in Economics. My main interest lies in applying Machine Learning and Artificial Intelligence to solve real-world problems and enhance model performance. Known for my strong work ethic, active learning, and collaborative skills, I am committed to leveraging my technical and research expertise to contribute meaningfully to AI/ML research and projects.
