

Nguyen Dang Nhat Anh

District 9, HCM City | 0782977027 | anh.nguyen.220069@student.fulbright.edu.vn

Introduction

As a proactive and adaptable second-year student, I possess strong management skills in logistics, teamwork, and effective communication. I have a passion for learning economics and computer science, and I always strive to help other people to have a better life. I bring to the table valuable experience in teamwork, support, and a strong sense of responsibility.
